Why do you want to serve on the TRA Board of Trustees?

I have wanted to serve on the TRA Board of Trustees since switching from a PERA covered position to becoming a teacher.

I have first hand experience of seeing the benefits of a TRA pension. My mom is a retired school teacher and administrator. TRA pension allowed her to retire early and truly enjoy retirement. She tells me constantly that she has never regretted the decision to retire early.

I feel that my background and education in Finance and Accounting will serve me well as I work to serve the active and retired members of TRA.

I also believe that the time has come within Minnesota to push towards reinstate of the Rule of 90.

I hope look forward to diligently serving members as a fiduciary in this position.

Respectfully
